Announcement

Circumstances make it necessary for a part of this herd to be sold at this time. The breeding and quality of these cattle are of the best, and they will be offered in a condition that will insure their future usefulness. Most of the females will either be bred by us or carrying the service of one of our herd bulls, of the Villager, Cumberland, or Avondale blood.

We extend an invitation to all interested in good cattle to be with us sale day.

Warranty

All cattle will be Federal tested. This herd being under the process of dispersion, customarily no guarantee is given, but we believe all animals sold to be breeders, and as a greater part of the females have calves at foot, no further guarantee as to future usefulness is necessary.

PEDIGREES.

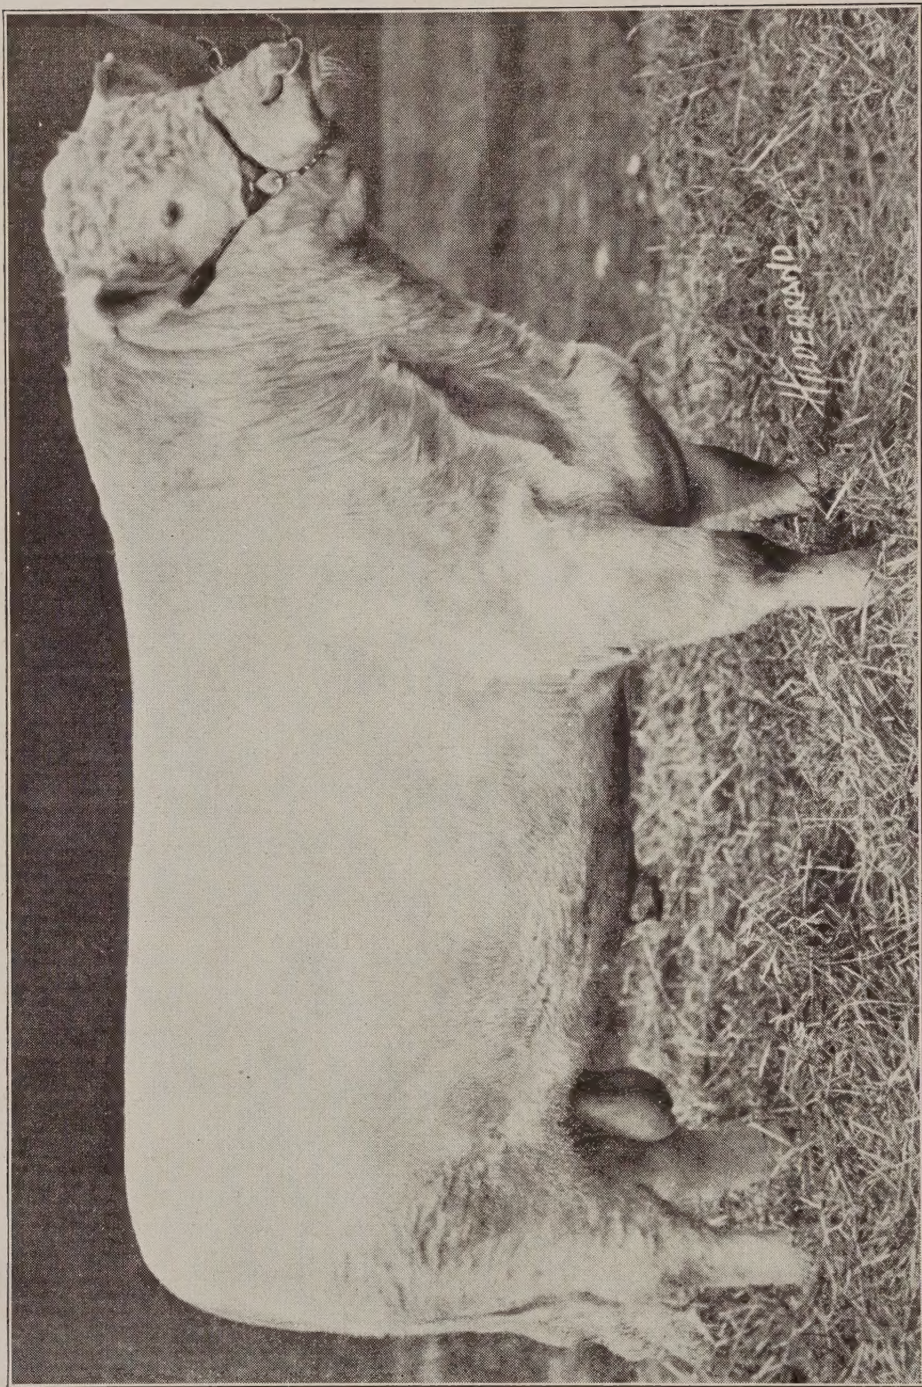

Pedigrees furnished with all single lots sold. Calves in application form.

LOCATION.

Mt. Pleasant is located in Southeastern Iowa, on the main line of the C. B. & Q. Railroad, 28 miles west of Burlington and 50 miles east of Ottumwa. Parties coming from North or South, can make good connections, at Burlington or Ottumwa.

TERMS.

2 per cent discount for cash, or six months note bearing 8 per cent interest. Arrangements for time must positively be made with clerk before sale. Parties desiring same please bring late bank reference. All stock cared for, and loaded on cars free to purchaser.
